1. The following is an examiner's statement of reasons for allowance:

The claims are deemed allowable on the basis of the showing of unexpected criticality to improved results for the relative proportion of inorganic powder to the radiation curing compound in the radiation cured layer of the claimed magnetic recording media laminate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
